Voters' List

Once the constituencies are decided, the next step is to decide who can and who cannot vote. This decision cannot be left to anyone till the last day. In a democratic election, the list of those who are eligible to vote is prepared much before the election and given to everyone. This list is officially called the Electoral Roll or the Voters' List.

DO YOU KNOW?

Like in Panchayat should we not have at least one-third seats in the Parliament and assemblies reserved for WOMEN?

This is an important step for, it is linked to the first condition of democratic election that everyone should get an equal opportunity to choose representatives irrespective of differences. In our country, all the citizens aged 18 years and above can vote in an election. Every citizen has the right to vote, regardless of his or her caste, religion or gender.

It is the responsibility of the government to get the names of all eligible voters put on the voters' list. Names of those who move out of the place or those who are dead are deleted. A complete revision of list takes place every five years. In the last few years, a new system of Electoral Photo Identity Card (EPIC) has been introduced. The voters are required to carry this card when they go out to vote. Not compulsory, for voting, the voters can show many other proofs like the Aadhar Card, Ration card or Driving License.
