Nationalism has become a buzz word of addictiveness and emotionalist for the people, he exclaimed.

Global Nationalism – A Denial

Periyar in his speech in Sri-Lanka, opposed strongly against Nation and Nationalism when others used 'Indian Nationalism" as a weapon, Periyar spoke against these factors. He has also shown about other nations, nationalistic feeling apart from Indian Nationalism.

It is to treat people as scapegoat, Capitalist Class along with other similar people, Patriotic feeling was misused, said Periyar.

For instance, if rich communities in U.K have any clash with USA or vice-versa they may give clarion call as "Oh ! Britons, Patriots, our nation is under threat". Such kind of false words is only for their economic advancement and not for the poor communities.

Erstwhile, Russia has many races and cultural groups, but there is no discrimination in that nation. He also supported communist revolution. These nations which are free of nationalism, religion and God may not be affected with luxurious life styles, poverty and exploitation by rich community. Those people may not stick upon with national and godly attachments. Equality and egalitarian society is the only priority of that place. There will not be any discrimination like rich-poor, owner-worker, powerful-powerless in that region. Those people of high value and egalitarian-longing are not equal to the nation which gives priority for God and Nationalism.

By showing other nations as evidences, Periyar also criticized Indian nationalistic feelings and patriotism. Because these feelings are exploited as weapons by certain dominant groups.

India – A Land of Diversities

Whether "Nation" as a concept is suitable for India? Periyar raised a pertinent question and answer as well.

"Madras is not a separate nation and cannot function separately," says some of our friends. Once 'Madras' was a nation. Also now, "Dravidam" it is. The culture and other practices are different from Bengal and Mumbai. English language is the main base for the familiarly among these different nations in India. If British Empire and its language is relieved from India, Hindi may become the national language. Instead of calling India as a nation, Dravida Nadu, Andhra, Bengal can be separately called as nations respectively. For instance, Dravidian nation had its culture, language, civilization and rule for thousands of years on accordance with historical facts. Undoubtedly it is known to all the people.

"Dravidian Nationalism" proposed by Periyar was to a large extent against religious dominations.

On Language

Each and everyone have their own rights to protect their languages. These rights can be protected and provided under Dravida, Socialist Republic Rule. No language can be enforced.

Language should not be misused as weapon for separatism. If people are dependent upon Central rule for all kinds of amenities, there is no outcome in it. If languages are officialised at Central level, will the poor people relieve out of hunger?

To put it in clear way, are Tamil labourers exploited only by the Tamil speaking owner class?
