governance to design their political process and decision-making for fulfilling the needs of the people from lower strata of the socio-economic category.

Polyarchy means the rule by the many. A series of minorities, some self-interested and other disinterested within the boundaries stipulated by consensus with not being able to dominate but all having space for the manoeuvre and bargaining.

Republic: The principle that political authority stems ultimately from the consent of the people; the rejection of monarchical and dynastic principles.

Right: The concept of right is the acceptance of ideas of personal autonomy, individuality, liberty and human equality and any denial and discrimination has to have sufficient reasons.

Freedom is 1) The ability to think or act as one wishes; freedom implies either non-interference or personal self-development. 2) Liberty from the arbitrary power of the tyrants along with the right of citizens to manage their common affairs by participating in government.

Liberty refers to authoritative permission to act in some particular way.

Equality: The principle of uniform apportionment, rather than 'sameness'; equality may be applied to rights, opportunities or outcomes.

Fraternity means as brotherhood, bonds of sympathy and comradeship between and amongst human beings

Sovereignty: Absolute and ultimate power; sovereignty can imply either supreme legal authority or unchallengeable political power.

Socialism: The concept of Socialism is an ideology and it is applied in terms of achieving equality in the economic system in which property is held in common and not individually, and relationships between the state and society are governed by a political hierarchy.

Secularism: The concept of secularism is that the state should not patronize any religion and also treat all the equally.

The state is defined as a political entity that possesses people, territory, a government and sovereignty.
