UNIT 6

Forms of Government

6.1 Introduction

The Government is the main agency of the state. It comprises several members belonging to political and administrative wings. It serves as the instrument for delegation and execution of the state policies for the welfare of the people. It formulates expresses and realises the will of the state. It exercises certain legislative, executive and judicial powers based on the constitution and the laws. There are three organs in government, namely – Legislature, Executive and Judiciary. These organs carry out the activities of the state. Governments are classified under Unitary, Federal, Parliamentary and Presidential forms.
