Student Activity

1. Students should be taken to the nearby service station to learn the handling of mechanical instruments and industrial tools.
2. Students should visit any Government authorised central workshops to learn the process of drilling, overhead crane transport of materials as per the planned schedule of flow and should submit a report on it.

Glossary

Instruments	-	உபகரணங்கள்
Temperature	-	தட்பவெப்பநிலை
Measurements	-	அளவிடுதல்
Adjustable	-	சரிசெய்தல்
Tubular	-	குழாய்
Grinding	-	அரைத்தல்
Vulcanizing	-	துளை அடைத்தல்
Hydraulic	-	திரவ நிலை
International	-	சர்வ தேசம்
Standardisations	-	தர நிர்ணயம்
