7.4 Inserting Objects

7.4.1 Inserting And Formatting Pictures

Open Office Writer has the ability to insert and edit images in a simple way. The picture gallery of the Writer consists of a collection of images from which the desired image can be selected and inserted into the document. To insert an image from a file, the steps are as follows:

- Place the insertion pointer where you want the image to appear
- Select **Insert** → **Picture** → **From file**
- The **insert picture dialog box** appears where the picture gallery opens from which the desired picture can be selected.
- If the picture is not in the gallery, then browse the picture from the folder, choose the desired picture.
- Click on the Open button.
