Step 3: Insert Address block

This step helps to select the address list to be merged with the document as shown in Figure 8.3.

This step has four sections

Click "**Select Address list**" button to choose the address list from an existing file or create a new address file.

Click "Add" button to include the existing data source as shown in Figure 8.4.

(or) Click "Create " to create a new data source.

This window shows default fields for the address as shown in Figure 8.5.

Click "Customize" to add or delete or rename fields

Note

Minimum three fields must be selected when the user creates an address list.
