Font page

Use the Font page, shown in **Figure 13.8,** to select the desired font type, its base attributes (Italic, Bold, etc.) as well as the size. A sample of the font is displayed in the lower part of the dialog box. You can also specify the language of this style.This page is available when creating or modifying a presentation style or a graphics style.

When writing a presentation in multiple languages, you can make the best of the language setting by creating two styles that only differ in the language but are otherwise the same. This allows you to check the spelling of all of the contents without affecting the appearance.

Font Effects page

Use the Font Effects page, shown in **Figure 13.9,** to apply special effects to the text, such as underlining, color, shadow and so on. A sample of the text is displayed in the lower part of the dialog box allowing a quick visual check of the effects applied. This page is available when creating or modifying a presentation style or a graphics style.
