### 13.1.3 Inserting tables and charts

To create a table proceed as follows:

1. Position the slide which will contain the table in the workarea. If necessary modify the slide layout in order to reserve the place for the table.
2. If the task pane is already open select Table Design. If the task pane is not visible, select **View → Task pane,** then select the **Table Design** task.
3. You can create a table directly by selecting **Insert → Table** from the main menu, the default style and settings are applied to the newly created table. **(Figure 13.20)**
4. Select one of the predefined styles. You will be able to change the color scheme.
5. Selecting a style opens the dialog box of **Figure 13.21,** where you can specify the number of rows and columns.
