The table is placed at the center of the slide, but you can move it wherever it is more convenient by selecting it then dragging it in the new position.

Table toolbar

When a table is selected, the Table toolbar **(Figure 13.22)** will be displayed. If necessary, you can open the toolbar using **View → Toolbars → Table**. By default the toolbar will float, but you can fix it to the side or top of the work area wherever you want.
