

LET US SPEAK

Story Telling

Today, we will learn to tell a story.

Step 1: Choose a story you want to tell.

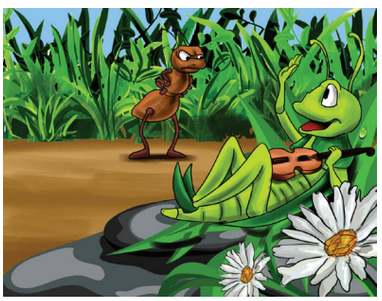

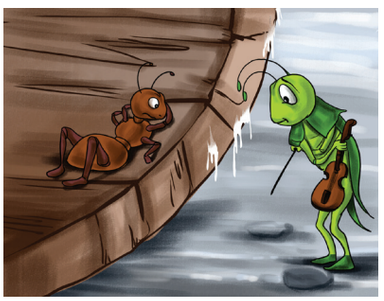

Step 2: Tell the place where the story is happening.

Step 3: Tell who the characters are.

Step 4: Tell three events that lead to the end of the story.

Step 5: End the story.

The Ant and the Grasshopper

In a deep forest near the mountains, lived an ant and a grasshopper. The ant worked hard in the summer and saved food for the winter. The grasshopper played during the whole summer without collecting food. The grasshopper always called the ant to play, but the ant wanted to save food for winter. It was now winter, the ant had food to eat but the grasshopper did not. We should work hard and save for the future.

Is that easy? Why don't you try?

Try to tell your friend a story on your own.

Some useful phrases:
