That was when the clouds broke, and rain poured.

"The monsoon is here!" Divya shouted.

"I'm going home, even if you aren't," the tanker man said.

It rained and rained.

WOOSH, the bund overflowed, and the stream rushed down, splashing them.

"The water has been found! Mystery solved!" Divya said.

"WOOOOOO!" They yowled with joy. They informed about the tanker man to the village people and the village people warned him not to do again.

A. Fill in the blanks.

1. The tank in Divya's village was almost _____.
   a. full b. dry c. half full
