LET US READ ALOUD

Read the passage three times and colour a dustbin each time.

I am Mani. I had to take a bus to nearby city. I crossed the road to reach the bus stand. I got the bus and sat down and took out a book to read. Before I started to read, I just looked at the people around me. The two men sitting next to me were talking loudly. Some were listening to the music on their phone. I was unable to focus on reading. The men were talking about cleaning the city. As they were talking, they opened a pack of biscuits to eat. After some time I dozed off. When I opened my eyes, the bus had reached the city. The two men were not there but pieces of the biscuits and wrappers were there. I cleaned the wrappers and put them in the dustbin.

1. What did Mani take out?
2. What did Mani find on the seat when he woke up?
3. If you were Mani, what would you do?
