LET US LEARN

FIVE DETECTIVES

It was a sunny afternoon. After a long time in Ooty, Arul and Amudha were sitting on the balcony. The last three vacations were very exciting for them as they were involved in solving three mysterious cases in the city. They were missing their friends - Sreejith, Jessy, and Farooq.

They called themselves 'The Five Detectives' or **5D**. They were famous in Ooty for their courage and skill. The police appreciated **5D** for their **admirable** acts. Amudha and Arul missed Pablo. Pablo was Sreejith's dog. He played an important role in solving the mysteries.
