Giving directions is sometimes not an easy job. Here is an example of how to give directions.

Instructions

You are waiting for your friend Raja at the shopping mall. He will get down from the bus at the bus stop in Main street. Give him directions to reach the mall.

After you get down, walk forward along the main street and cross smith street at the zebra crossing. You can see a hospital to your left. Walk straight and you can see the park to your left. Cross the road at the second zebra crossing to reach the shopping mall opposite the park. I will be waiting at the entrance.
