Idioms and Phrases

Idioms are groups of words put together as a unit with a particular meaning. The meaning of the word is not literal. **For example,** if one says that **the cat is out of the bag** then it **does not literally mean** the cat is out of the bag **but** it has a **figurative meaning** which means **the secret is out**. That's why the meaning of idioms cannot be assumed based on the individual meaning of the words but by studying the words as a unit.

Examples:

1. Lalitha takes a late night walk in the beach **once in a blue moon**.

In the above sentence **'once in a blue moon'** is an idiom which means **an event that happens rarely.**

2. The women cricketers were **on the ball** in their last over of the match.

In the above sentence **'on the ball'** is an idiom which means **when someone understands the situations well.**

A Phrase, on the other hand, is a small group of words put together as a conceptual unit. It **does not take a figurative meaning.** The meaning of the word is **literal**. It can be long or short but it does not include the subject-verb pairing, necessary to make a clause. **For example,** 'looking stunning'; to live and breathe'; 'comfortable bed'.
