2. Palanikumar is a Lawyer. He lives in a luxurious flat. Due to high rent, he wants to shift his residence to a place where he has a chemical industry nearby. There the rent is very cheap and the area is less populated also. His son Rajasekar, studying VIII, does not like this and likes to go to some other place.

a) Is Rajasekar right in his attitude?

b) Why did he refuse to go there?

c) What are the values shown by Rajasekar?
