How to use the book

1

- Different types of warm up activities can be used to discuss the theme.
- Make use of the different genres in the text for understanding and appreciating the plot and characterization.
- 'Do You Know' boxes can be used for thinking beyond the texts.

2

- Facilitate the children to enjoy and appreciate the poem.
- Encourage the students to practice the situational grammar exercises.
- 'Think and Answer' questions can be used for promoting higher order thinking skills.

3

- Use the listening, speaking, reading and writing activities to support effective learning.
- Open-ended questions in the writing tasks can be used for promoting creative writing.
- 'Project' can be used for developing team spirit and collaborative learning.

4

- Motivate the students to read independently and to explore by accessing resources in the library and other ICT resources.
- Make use of literary and non-literary texts to develop analytical, inferential and evaluative reading strategies.
